Mini-Fish Summer Program

Fun summer programs designed for children entering a 2's or 3's class in the fall.

This summer, children will enjoy our beautiful, fenced-in property complete with play equipment, picnic tables and a shade tent. They will be able to climb, ride and frolic through a developmentally appropriate water park complete with their own "mini-car wash". Happily, they will experience the friendship of their peers, as well as the care and nurturing of our teachers and counselors. In case of inclement weather, we have air conditioned classrooms and a gross motor room all set up! Story time, singing, nature, gardening and crafts round out this lovely camp experience. The added bonus is that the Mini-Fish camp is a great opportunity for your child to transition to the school year program.

Children in the 3s program will also experience weekly themes such as Prehistoric Explorers, Pirates and Princesses, Fun on the Farm etc. They will enjoy structured activities in nature, "messy" art (outdoors only), yoga, and science.
